

# EASTER SUNDAY DEVOTIONAL

## Discussion

Each Biblical author writes with a distinct style and perspective. Consider reading the resurrection account in the other 3 Gospels. You can find the parallel passages in Luke 24, John 20 and Matthew 28.

Easter is of course a very special day in the church calendar, but its significance should extend beyond just today. How should Easter inform the way we approach every day?

If you find today's practice of entering into the Biblical passage helpful, consider trying this with other Gospel passages. Step into Luke 24:13-35 or John 21:15-19. Use your imagination to prayerfully place yourself in these passages and allow scripture to speak to you in a fresh way.
