

HOLY WEDNESDAY DEVOTIONAL

Discussion

Pray *2 Chronicles 20:12* back to God. Humble yourself in prayer, recognizing your own inability and God's infinite ability.

It is so important to not only thank God for what He does, but also for who He is. Take some moments to write down adjectives that describe who God is in your life!

Let's put what we learned into action. Go somewhere by yourself, turn on some worship music and take time to praise God. Don't feel the need to rush this time. Enjoy laying your burdens down, lifting your hands, and delighting in God's presence.
