

# EASTER AT HOME KIT

**Welcome to Holy Week!** Your challenge is to read the story of Holy Week. In this box you will find 8 cards with scriptures on one side, and a part of a picture on the other. At the end of the week you will see that that the picture is complete! Here are 4 best steps for you and your family to engage in this together.

- 1: Pick a time for all of you to gather.
- 2: Pick a place in your house to sit down.
- 3: Pick up your bible and read out loud the events of Holy Week.
- 4: Pick up a frame and lay the squares out to complete the picture in it. Then display the frame to remember your Easter At Home experience! Then take a picture post to Insta and tag @nhopestudents with #EasterAtHome

That's it! We are praying that this Easter will be the best Easter ever as we celebrate the resurrection of Jesus at home!
